

Use this worksheet to think about the other half of the number line. Draw negative numbers, draw number lines, make up stories about the numbers and just have fun in the world of Negative Nine!

# Show Off Your Worksheet! And Join The Discussion!

Parents and Teachers,

Send an image of your child's worksheet to  
[avanderbilt@vanderbilt-consulting.com](mailto:avanderbilt@vanderbilt-consulting.com)

The authors will be choosing their favorites to post on the vanderbilt-consulting.com website right in the **author's blog!** This new blog will feature **parent AND child points of view** on education, math, Negative Nine, and the Early Math Series and concept. Let's start a discussion with your child's creativity at the heart of it! We look forward to hearing your thoughts and to seeing what wonderful things your child has created in the world of negative numbers.

Get your copy of *Negative Nine* TODAY
